

ACKNOWLEDGEMENTS:

Artwork² would like to acknowledge and salute all those people who have for many years been pioneering creative ways of engaging with communities enabling people to express their issues and identities. Much of what follows arises from that practical, thoughtful and path-finding work.

Once more our collaboration with John Ringer and Paradigm Associates has enabled us to create a cohesive production from diverse stories.

Artwork² is: Philip Clarke, Joy Foote, Sandi Morrison, Phill Rooke and Rodger Smith.
